Timisoara – Romania, October 17-21/2012.
- Course on "Childhood hemangiomas and vascular malformations" Latest diagnostic and therapy developments Importance of a scientific society CISEF-Badia Benedettina Della Castagna, Genoa, 4 May 2012.
- Training course AIUC–Lazio section–on clinical analysis and therapeutic treatment for pressure ulcers in the various ages of life: from newborn to the elderly Congress Center Angelicum, Rome, 27 April 2012.
- International Seminars in Microsurgery of Vessels and Nerves – Pius Branzeu Center for Flap Surgery and Microsurgery – Timisoara – Romania – Ottobre 2012 – Invited Tutor and Speaker at Werner Spigler Award
 - a. Lecture "Tumor Presentation in a Newborn at Birth" Luigino Santecchia
 - b. Lecture: "Connecting Points: "Learning from Steve Job's Life Experience" Luigino Santecchia
- International Seminars in Microsurgery of Vessels and Nerves – Pius Branzeu Center for Flap Surgery and Microsurgery – Timisoara – Romania – Marzo 2012
- Course of the Scuola Medica Ospedaliera of the Lazio region (S. M. O. R. L.) "Aesthetic medicine and Minichirurgia of the Face: Diagnostic Protocols and Clinical Procedures" coordinated by Dr Fabio Massimo Abenavoli.

Held in Rome from 16–04–2011 to 25–06–2011.
- International CMF Surgery Observation Visit, organised by medical instruments firm Stryker at Southern General Hospital in Glasgow–Scotland UK–Royal Hospital for Sick Children (Yorkhill) – November 2009
- OPBG Occupational Safety Course as part of the OPBG hospital compulsory training held at the Ospedale Pediatrico Bambino Gesù, Rome, June 2009.
- PBLs–D OPBG course with ECM training credits, at the Ospedale Pediatrico Bambino Gesù- Rome 30–06–2009.
- Lymphoedema Course in the framework of the xxx National Congress SIAPAV held in Rome the 20 – 21 – 22 November 2008.
- Course of the Scuola Medica Ospedaliera of the Lazio region (s.m.o.r.l.) on "Malformations of the hand". (Event coordinator: Dr P Hydrangeas) Ospedale Pediatrico Bambino Gesù – Plastic Surgery Unit – Rome, 13–14 November 2008.
- Clinical methodology course in Pediatrics, organized by OPBG–Rome, held at the company headquarters in Rome on 12–19–26 March 2008.
- Training course " Human resource management in health facilities" organized by the Consorzio Medicare and held in Sestri Levante (Genoa) from 14 to 16 November 2007.

- Emergency medicine course on the territory – Rome ER “Basic module”.
passing the final test, and participating in the practical exercises of basic life support, early defibrillation and pediatric basic life support following American Heart Association guidelines.
Attained licenced operator status.
Centro Formazione e Congressi Lusan, Rome 26 October –13 December 2005.
- 3rd practical course of dermatological therapy with physical agents,
Policlinico Militare Roma Celio, 29 November – 1 December 2004.
- 6th video course of nasal and facial surgery “Nose and adjacent areas”
Ospedale G. B. Grassi–Lido di Ostia, Rome, 18–20 November 2004.
- “1st Italian national training course in lymphology on guidelines for the diagnosis and therapy of lymphoedema”
held in Genoa on 5 December 2003
at the Anfiteatro di anatomia patologica – Ospedale San Martino di Genova.
- “Meeting on angiomas and cephalic and orbital cervical vascular malformations”
held in Turin on 24 October 2003
at the Centro Congressi Torino Incontra–sala cavour.
- Multidisciplinary course on the diagnosis and therapies of angiomas and vascular malformations
held in Milan on 22–23 November 2002 at the children’s Hospital ” V. Buzzi”
Vascular surgery unit, via Castel Vetro 32–20154 Milan.
- Refresher course on “Velopharyngeal insufficiency – a multidisciplinary approach to diagnosis and treatment”
held in Padova on 26–27 March 1999
at the Centro Medico di Foniatria, via Bergamo 10 (Padova).
- Theoretical and practical course on ” The reconstruction of the auricle”
held on 1 June 1998 at the Humanitas Clinical Institute, Via Manzoni 56–Rozzano
Milan
directed by dr Satoru Nagata,
organized by Fondazione G. Sanvenero Rosselli.
- European course “Flaps and liftings of face and neck”
18–19 March 1996,
at Amphitheatre d’anatomie des hopitaux de l’ecole de chirurgie de Paris, directed by Prof. Claude Le–Quang.
- Course on the skin flaps of upper limbs –Ecole de Chirurgie Chirurgie de la Main Alain Gilbert and Le Quang, Paris–France 1994
- “23rd Italian theoretical and practical course of reconstructive microsurgery”, directed by Prof. G. Brunelli,
Brescia 3–9 July 1994.
- European course on skin flaps of the limbs at Amphitheatre d’atonomie des hopitaux de l’ecole de chirurgie de Paris, directed by
Prof. C. Cabrol and coordinated by Professors A. Gilbert and A. C. Masquelet 21–23 February 1994.
- “2nd senology course”
at the ‘U.C.S.C., Faculty of medicine and surgery – Policlinico A. Gemelli directed by Prof. F. Crucitti,
Rome, 20–22 April 1993.
- Semi-annual updating course and theoretical and practical vocational training,
Scuola medica ospedaliera of the Lazio region in Rome (s.m.o.r.l.),
Directed by Dr S. Pompei, ENT, cervicofacial surgery department
Istituto Tumori Regina Elena di Roma, Rome
on topics of oncological reconstructive plastic surgery of the cephalic extremities,
1992-1993.
- Theoretical and practical course of parotid surgery
Istituto Tumori Regina Elena of Rome, directed by Prof. F. Marzetti,
9–11–1992 . 11–11–1992.

Distance Learning Webinar

- **MC Webinar Nov 24**
[IMC Webinar – 479]
Tommy Nai-Jen

This SUNDAY (Nov 24, 2024) we are happy to invite Dr. Wenhai Sun (China) to talk about “Micro-dissected Debulking and Osteotomy Procedures to Correct Severe Macroductyly Deformity”.

- Dr. Derek Yu (China) will do the real time translation from Mandarin to English.
- Dr. Soo Jin Woo and Kwang Hyun Park (Korea) will moderate the talk.
- Drs. Sang Hyun Woo (Korea), Chung-Chen Hsu (Taiwan),
- Takehiko Takagi (Japan),
- Luigino Santacchia (Italy),
- Kunj Desai (U.S.A.),
- Hamed Ahmed Badawy (U.A.E.), and Amandine Ledoux (Luxembourg) will join as the panelists.

- **Masterclass Webinars – SICM 2021 (Italian Society for Surgery of the Hand)**

- Massimo Ceruso – *40 Years of Rhizarthrosis* – 08 Jul 2021
- Michele D'Arienzo – *Volkman's Syndrome* – 24 Jun 2021
- Antonio Landi – *Compartment Syndromes and Perinatal Volkmann Syndrome* – 10 Jun 2021
- Luciano Cara – *Dupuytren's Disease* – 03 Jun 2021
- Roberto Adani – *Apical Tissue Loss of the Fingers* – 27 May 2021
- Bruno Battiston – *Neurotizations in Peripheral Nerve Injuries and in Tetraplegia* – 13 May 2021
- Riccardo Luchetti – *Scapholunate Ligament Injuries* – 29 Apr 2021
- Alberto Lazzarini – *Fractures of Metacarpals and Phalanges* – 22 Apr 2021
- Giorgio Pajardi – *Congenital Hand Malformations* – 15 Apr 2021
- Igor Rossello – *Prosthetic Replacement of Carpal Bones* – 08 Apr 2021
- Umberto Passaretti – *Complex Hand Trauma* – 01 Apr 2021
- Maurizio Altissimi – *Wrist Osteoarthritis* – 25 Mar 2021

- **“Surgical management of fingertip injuries including nail bed”**30/08/2021 – Dr. Pierluigi Tos – Host: carlos.heraspalou2carlos@gmail.com
- **“Techniques of Digital Reconstruction”** – Saturday August 21, 2021 – Host: Dr. Terrence Jose Jerome (terrencejose@gmail.com)
- **“The Broken Scaphoid: Scaphoid Fracture and Nonunion”** – Amit Gupta Saturday July 24, 2021 4:00 PM, Europe Summer Time (Rome, GMT+02:00) Host: Dr. J Terrence Jose Jerome (terrencejose@gmail.com)
- Webinar – The Pulvertaft Hand Centre within the Royal Derby Hospital: **“Thumb Reconstruction”** Prof. Francisco del Pinal – 24/04/2021
- **Hand Transplantation: State of The Art”** Virtual Meeting by Prof. Scott Levine – ISSH (International Society of Surgery of The Hand) – April 2021
- Master Series: **Microsurgery for Residents 2**. Online Course streamed live on March 5th and 6th 2021 – MSM Chairman Eric SantamariaLinares – WSRM 2022 Chairman. Total Course 16hours. Certificate Number#0000-2473
- ASSH (American Society Surgery of The Hand) **“ Touching Hands Webinar: Correction of Burn Contracture – Practical Tips Make it Work in Less than Ideal Conditions”** December 5 2020

- **“Beyond Frontiers Microsurgery Symposium”** – The Association of Latin-American Microsurgery and European Federation of Societies for Microsurgery. November 28th., 2020
- **58th Virtual Congress – Italian Society for Surgery of the Hand (SICM)**
October 1st, 2nd and 3rd, 2020
- **Residential Training Pathways – FAD – SIOT Webinar:**
“When, Who and How to Cover Severely Exposed Lower Limb Fractures” – September 15, 2020
- Corso FAD **“Prevenzione e controllo delle infezioni nel contesto dell’emergenza COVID-19”** organizzato da Istituto Superiore di Sanità. Periodo di erogazione: 30/03/2020 – 30/11/2020

Participation to exhibitions

- **15th EFSM Congress of the European Federation of Societies for Microsurgery June 23-27 2021 – Chairman in 1 Pediatric Reconstructive Session – Main Chair in 2 Microsurgical Flaps in Children Session – Invited Speaker on Personal Oral Lectures Scheduled at The 15th EFSM Congress:**

-“Vascular Anomalies and the Tissue Replacement Concept”
– Is The RFF still relevant in Head & Neck Reconstruction in Children?
– Microsurgical Reconstruction in The Child

◦ Papers already published in the Acts of the Congress:

1. “Supercharging Superficial Temporal Vein Outflow (S.S.T.V.O.)” Luigino Santecchia M.D.
2. “Radial Artery Reconstruction after RFFF Raising” – Luigino mSantecchia M.D.
3. “Personal Experience in Reconstructive Microsurgery in Children” – Luigino Santecchia M.D.

- **Chairman in 1 Pediatric Reconstructive Session
Varia I**

Chairmen: Luigino Santecchia (Italy), Stefan Froschauer (Austria)
Moderator: David Netscher (USA)

- **Main Chair in 2 Microsurgical Flaps in Children Session**

17:30-19:30

PEDIATRIC AND CONGENITAL

Chairmen: Luigino Santecchia (Italy), Zoe Dailiana (Greece)
Moderator: Henk Giele (UK)

17:30 – 17:44

Microsurgical Reconstruction in Children

Speaker: Luigino Santecchia (Italy)

- 59° Congresso Nazionale SICM – Mano, movimento, rigenerazione.
Il Congresso della ripartenza 14 – 16 ottobre 2021 Ancona
- 69° Congresso Nazionale SICPRE: il 24 e 25 settembre 2021 online, webinar interattivo
- 28° Congresso SIM (Società Italiana Microchirurgia) – Tecniche microchirurgiche e tradizionali a confronto, dal bambino alla maturità – Genova, 21-23 novembre 2019
- VII National Congress SISAV 2019: Innovation and improvement in vascular anomalies – 24–25–26 October 2019, Auditorium Santa Apollonia, Florence. Oral Presentation “ Klippel–Trenaunay” – Luigino Santecchia
- Focus Hot Topics on Poland Syndrome – AISP Area Universitaria – 18 Ottobre 2019 – Modena
- III Simposio Management Clinico Malattie Rare Vascolari: Oral Presentation: “Malformazioni Vascolari del Canale Carpale e del Canale di Guyon”. Istituto Dermopatico dell’immacolata – IDI Maggio 2019 – Roma
- 10th Congress of World Society for Reconstructive Microsurgery (WSRM 2019) -12th-15th June 2019- Bologna – Session Moderator
Moderator of session

Thursday June 13th 2019 from 5.05 pm to 6.15 pm

Free papers: FP14 – Nerves

Moderators: Luigino Santecchia, A. Lee Dellon

“Klippel–Trenaunay Syndrome with Lymphoedema. The Proposal of an algorithm for surgical Treatment.”

Rossella Elia, Giuseppe Di Taranto, Shih–Heng Chen, Luigino Santecchia, Vittoria Amorosi, Ngamcherd Sitpahul, Jeffrey Chan, Michele Maruccia, Giuseppe Giudice, Hung–Chi Chen

- Istituto Dermopatico Dell’Immacolata (IDI) 7 June 2019–Aula Multimediale Cavaliere–Symposium on clinical management rare vascular diseases – Reading of “Vascular anomalies of the carpal and Guyon’s canal” – Luigino Santecchia

- 1° Sturge Weber Weber National Congress – Rome May 2019: Reading “Surgical therapy of tissue hypertrophy in Sturge–Weber Syndrome” Luigino Santecchia
- 17th Milan proceedings in hand surgery – Highlighting in Pediatric Hand Surgery – Centro Congressi Stelline Milan 27-29 March 2019
- Congenital Hand Malformations – Sant Joan de Deu – Barcelona February 22nd-23rd 2019 – Chairman F.Soldado and CoChairman A.Gilbert , P.Raimondi – Presentation: “Vascular Anomalies in Children” Luigino Santecchia
- 9th BOZNER Symposium of Plastic Surgery (BSPS) January 18th to 20th 2019 – Bozen – Lecture “ Microsurgical Reconstructions in Paediatric Plastic Surgery” – Luigino Santecchia
- EPUAP (European Pressure Ulcer Advisory Panel) 12–13–14 September 2018–Rome. Presentation: “Surgical indications on pressure lesions” – Luigino Santecchia
- VI National Congress SISAV–27–28–29 September 2018–Comano Terme–Trento
- First local educational symposium on vascular anomalies. IDI–May 2018–presentation Luigino Santecchia “KTS–Klippel Trenaunay Syndrome: surgery and aesthetic-functional outcomes”.
- 14th Congress of The European Federation of Societies for Microsurgery Hyatt Regency Belgrade – May 5 – 8, 2018 : Presentation “ The Microsurgical Experience of Paediatric Plastic Surgery Department in Rome “ Luigino Santecchia
- Italian National Congress of the Italian Society Of Microsurgery (SIM)– Palermo October 2017
- 4th Italian national congress SISAV – vascular rare diseases 15–17 September 2016 Reggio Emilia– Presentation “Venous vascular anomalies in childhood” – Luigino Santecchia
- 3rd Italian National Congress SISAV–Update on vascular anomalies – Naples, November 2015 Comunique: Venous malformations of the upper limb – Luigino Santecchia
- 7th EPSRC (European Plastic Surgery Research Council) Congress – Lecture: “Surgical Treatment of Lip Haemangiomas: A new Classification Scheme of Severity Predicts Functional and Cosmetic Outcomes”. – Captain San Diego Boat – Hamburg 2015
- 2nd Italian national congress of SISAV Milan, November 2014– Comnuique: “Surgery of hemangiomas of the lip: reconstructive methods in relation to the aesthetic and functional units involved” Luigino Santecchia

Top classified poster at the Congress : “VASCULAR ANOMALIES OF THE NASAL REGION: SURGICAL TIMING AND RECONSTRUCTIVE ALGORITHM IN USE AT THE MULTIDISCIPLINARY CENTER OPBG” – L. Santecchia

Poster: INTERSTITIAL DIODE LASER IN PEDIATRIC VASCULAR ANOMALIES –L. Santecchia

- 1st SISAV founding members Congress November 2013 Genoa
- 61st SICPRE National Congress
Centro Congressi Zagarella–Santa Flavia, 24 –27 September 2012.
- 4th Italian National Congress CO. R. TE. (Italian conference for study and research into ulcers, sores, wounds and tissue repair
Treatment: new therapies and medical devices and treatment of simple wounds-tissue repair
Rome, 1 – 2 – 3 March 2012.
- First ISPeW International Symposium on Pediatric Wound Care
Angelicum Congress Center Pontificia Universitas San Tommaso D’aquino, Rome, 27–29 October 2011.
- 30th congress italian society of angiology and vascular pathology (SIAPAV)
Rome, 20 – 21 – 22 November 2008.
- Consensus conference on pediatric neurosurgery: Craniosynostosis: the impact of genetic diagnosis, new techniques and new materials for craniofacial reconstruction:
Rome, december 1st – 2nd, 2006.
- “Craniofacial plastic international” scientific secretariat curation and production
Grand Hotel Palazzo Carpegna, Rome, june 16–18 2005.
- 53rd National Congress of the Italian Society of reconstructive and Aesthetic Plastic Surgery (S. I. C. P. R. E.),
Palazzo dei Congressi, Pisa, 16 – 18 September 2004.

- 51st National Congress S. I. C. P. R. E.,
Palazzo della Gran Guardia, Verona, 19–21 September 2002.
- Health Forum
“The new computerization of hospitals” organized by Il Sole 24 Ore, as part of “Exposanita- International Exhibition at the service of Health”,
Bologna Exhibition Centre, 17 – 18 – 19 May 2000.
- EADV 7th Congress european academy of dermatology & venereology,
Acropolis Convention Center, Nice, France, october 7 – 11, 1998.
- Hands-on workshop on craniofacial distraction,
Centro congressi “La Sapienza”, Rome, via salaria 113, 4 april 1998.
- Conference on
The study of congenital malformations through experimental animal models, Ospedale Pediatrico Bambino Gesù, Rome, 11 December 1997.
- 3rd Italian national plastic surgery meeting
Ospedale Pediatrico Bambino Gesù, Rome, 6 – 7 December 1997.
- International congress on genitalia malformations,
Ospedale Pediatrico Bambino Gesù, Rome, 15–16 march 1997.
- Symposium of poly specialized surgery: 2e study days,
Rome, 23 November 1996.
- 45th National Congress S. I. C. P. R. E.,
Perugia, 14–17 October 1996.
- 44th National Congress S. I. C. P. R. E.,
Bologna 31 October–3 November 1995.
- Conference of the Association of Plastic Surgeons of Central Italy on ‘Plastic breast surgery’
Rome 2 – 3 June 1995.
- 43rd National Congress S. I. C. P. R. E.,
Ancona 28 September–1 October 1994.
- Conference
“Latest developments in microsurgery”
Ospedale zonale ‘Madre G. Vannini’, Rome 15–17 April 1994.
- Seminar of senology
“Surgical therapy of breast cancer – perspectives for the future” Prof. U. Veronesi Faculty of medicine and surgery of U.C.S.C.
Rome, 4 February 1994.
- “42nd Italian national congress of reconstructive and aesthetic plastic surgery” (S. I. C. P. R. E.),
Centro Congressi Il Ciocco, Lucca, 5–8 October 1993.
- 4th Italian National Congress on:
“Emergency, technical, organizational and clinical problems”
Tarquinia 11– 12 – 13 June 1993.
- Symposium
“Latest developments in breast cancer”
at the Faculty of medicine and surgery of the U. C. S. C., Polyclinic “A. Gemelli”, Rome, 23 April 1993.
- International Symposium on
“breast: removal, reconstruction, aesthetics”
Fiuggi Terme, 11–13 November 1991.
- First international plastic surgery conference
held at the Centro Studi European Hospital, Rome. 26–1–1991.
- Meeting on
“Pathologies of the lower limbs of orthopedic and reconstructive plastic interest” held at Hotel Sheraton, Rome, 15 December 1990.

- I update meeting in cutaneous oncology on “Epitheliomas: therapies compared”, at the University Polyclinic ” A. Gemelli ” di Rome, 24 March 1990.

Oral presentations made

- Autore di 5 Pillole su Portale OPBG:
 1. Anomalie Vascolari degli Arti e della Mano
 2. Polidattilia Radiale
 3. Polidattilia Centrale
 4. Polidattilia Ulnare
 5. Sindattilia
- “31th International Practical Postgraduated Master in Microsurgery of Vessel and Nerves”
Department of Microsurgery “Pius Branzu Center for Laparoscopic Surgery and Microsurgery
Victor Babes University of Medicine and Pharmacy,
Timisoara, Romania, march 14-17, 2012
Invited Lecture **L. Santecchia** M.D.
“Tumor Presentation in Newborn at birth” Timisoara 17-10-2012.
- National Congress
Congress Center Zagarella–Santa Flavia–from 24 to 27 September 2012.
“Experiences on interstitial diode laser in peripheral vascular anomalies”
L. Santecchia, M. Zama.
- Speaker on AIUC Training course of the Italian Association for Skin Ulcers (AIUC) – Lazio, Italy – on clinical analysis and therapy for pressure ulcers in various ages of life: from newborn to the complex elderly”
Centro Congressi Angelicum, Rome 27 April 2012 “Reconstructive surgery in children”
L. Santecchia.
- “31th International Practical Postgraduated Master in Microsurgery of Vessel and Nerves”
Department of Microsurgery “Pius Branzu Center for Laparoscopic Surgery and Microsurgery
Victor Babes University of Medicine and Pharmacy,
Timisoara, Romania, march 14-17, 2012
Invited Lecture **L. Santecchia** M.D.
“Connecting Points: Learning from Steve Jobs’s Life Experience” Timisoara 17-10-2012.
- First International Symposium on Pediatric Wound Care ISPeW
Angelicum Congress Center – Pontificia Universitas San Tommaso D’Aquino, Rome, 27-29 October 2011
Loading Oral Presentation **L. Santecchia** M.D.:
“Repair and Reconstruction of Complex Wounds in Children: strategies”.
- Craniofacial plastic international congress,
Grand Hotel Palazzo Carpegna, Rome, June 16-18-2005:
Loading oral presentation “VPI from diagnosis to therapy”.
- 53rd National Congress of the Italian Society of reconstructive and Aesthetic Plastic Surgery (S. I. C. P. R. E.),
Palazzo dei Congressi, Pisa, 16–18 September 2004:
“Rhinoplasty in labiopalatoschisis outcomes – increase of the projection of the tip by repositioning of the domus and cartilage grafts”.
- 53rd National Congress of the Italian Society of reconstructive and Aesthetic Plastic Surgery (S. I. C. P. R. E.),
Palazzo dei Congressi, Pisa, 16–18 September 2004:
“Indications for the use of Abbe-Sabatini flap in patients with labiopalatoschisis with maxillary retrusion.”
- 3rd Italian national meeting of plastic surgery:
Ospedale Pediatrico Bambino Gesù, Rome, 6–7 December 1997:
“Ropivacaine vs bupivacaine in loco–regional anaesthesia and postoperative analgesia: clinical experience in 50 patients”
- International Congress on Genitalia Malformations:
Ospedale Pediatrico Bambino Gesù, Rome March 15-16, 1997:
“Distal hypospadias: advantages in cavicare dressing without catheter”.
- Symposium 2e days of study of polispecialistic surgery,
Rome, 9,16,23,30 November 1996:
“Reconstruction of the distal phalanx with palmar monopodunculate flap in the traumatic pathology of the hand”

- Congress S. I. C. P. R. E.
Perugia 1996:
"The use of granular hydroxylapatite in the repair of labiopalatoschisis– clinical evaluation in 15 cases"
- Congress S. I. C. P. R. E.
Ancona ' 94:
"The use of microsurgical techniques in repairs of large losses of substance of the scalp".
- Congress S. I. C. P. R. E.
Lucca ' 93:
"Rhinoplasty: some considerations on the planning of the operation"

Abstracts accepted and published at conferences
